

## Beyond the Hills of Dream

**William Wilfred CAMPBELL (1860 - 1918)**

William Wilfred Campbell was a Canadian author and poet. Some of his poems are among the most famous Canadian poems of all time, and many contemporary Canadians interested in poetry may be familiar with one or two of his poems. The rest of his work is not very well-known today - a pitiful oversight. This collection contains 36 of his poems, and may serve as a good reintroduction into Campbell's poetry. - Summary by Carolin
